ANNUAL REPORT 2014

truthxvision

SCALING TOWARDS SUCCESS

Dear Poverty Crushers,

You are amazing. Seriously.

This year was yet again filled with dedication, progress, passion and impact. You came through in the clutch by giving nearly \$80,000. Five years ago, our annual budget was less than \$10,000. With that I'd like to extend a big congratulations on your faith and generosity!

We've worked very hard on this end to make every dollar go as far as possible on your behalf to help those in need. Your Farm in a Barrel pilot project's success has received national attention in Ghana, and we are just getting started. You have equipped yourselves with a new office and your first full-time executive director, so more good things can be expected in 2015.

We love changing the world with you. Let's keep following His lead next year and let the good times roll!

Onward,

Kris Asleson
